Principal: Mr. Kevin Tait

This has been the mildest January I have ever experienced. Wait, it's May! I do predict that the weather will be getting progressively warmer in the next two to three months. Our playground is almost completely snow and water free. The students did a great job keeping dry this year.

May will be busier as we start getting back to normal. It starts off on May 6th when the grade 7/8 will head to Carlton and tour the school. They will be taken around this amazing facility. Carlton provides many academic opportunities, plus extras like mechanics, commercial cooking, band and photography. Carlton also has four gyms, a major workout area and a swimming pool. Our class will be using the pool after the tour is done. Thanks, Mr. LaVallee, for setting this up.

Thanks to all the students, staff and parents who contributed to a successful basketball season. Mr. Byrne, Ms. Eyre and Mr. LaVallee created two successful programs. The students consistently showed great sportsmanship, while playing at a high level. It was awesome to see them improve over the year.

Track will begin this month. We are working with other rural schools to set up a mini meet. Our students will then be involved in a bigger meet involving the city schools. Students will be practicing at noon and during their physical education periods. More information on track will be available after the P4A meeting next week.

We had our first hot meal in two years. The smells of cooked ham and potatoes filled the hallways. The students loved it. We did this one in the classroom, however, we are moving towards a gym setting. Thanks to Teresa Dickens and her crew for setting up and delivering this fantastic meal. Our next meal is scheduled for May 26th.

Have a super start to spring.

Kevin Tait

YEARBOOK UPDATE

Good news, we are making another yearbook this year! It's coming along great and will be ready soon. The yearbooks will be available for purchase again this year, and we will be taking pre-orders later on this month. More information will come as to how and when to order your copy.

BABYSITTING COURSE

The SCC is offering a Babysitter training course on Saturday, May 14th from 9:30 – 4:30pm. This course is open to West Central School students only, and those in grades 5-8 are eligible to attend. There are 15 spots are available on a first come, first serve basis. The cost of the course is \$30, and students can bring cash or cheques made out to the school, no later than May 9th.

HOT MEAL

On May 26th, our fabulous hot meal crew will be back in the kitchen whipping up a delicious spaghetti and meat sauce lunch. Our first lunch in over two years was a big success last month, and we can't wait to enjoy another one! Please send your child with \$5, as well as their own plate, cup and cutlery. Parent volunteers are always welcome to help out.
