Kevin Tait, Principal

Hello November!

The past two months have flown by faster than a mini Kit Kat in my office! (Seriously, I think they evaporate.) We've had a fantastic fall so far, with great turnouts at both our Walkathon and Muffin Morning. Our SCC now has over seven members, and we're loving the increased community engagement—an important part of our school goal. Our students truly enjoy seeing adults involved in our school life. Please continue to join us at events, and if you have some time to spare, we'd love to have you come in and read with our students! (It's a novel idea—see what I did there?)

Our Co-op Card Fundraiser was a massive success! We sold almost \$79,000 worth of cards, easily reaching our goal. That's a lot of shopping power—our community really knows how to “check out” success! A huge thank you to Lake Country Co-op for their support, and to Mrs. King for organizing all the money and cards. Funds from this fundraiser will support technology and a variety of learning activities both in and out of the school. This year alone, students have already visited Batoche, the Conservation Centre, and participated in several family engagement activities. We're also beginning our family book project, *The One and Only Ivan*, which is fully funded through the Co-op Card fundraiser. Thank you to everyone who supported us and adjusted to the new timing this year—you really helped us turn the page on success!

Our school teams have either wrapped up or are nearing the end of their seasons. Mrs. Either's Cross-Country team finished strong at the Cross-Country Extravaganza in Spruce Home, consistently placing high in their categories and earning fourth place among all small schools. The team also competed at Mair Park, Berezowky School, and Murray Point. Our volleyball teams have shown tremendous growth, sportsmanship, and school spirit. This year, we were able to form three teams instead of the usual two—talk about “setting” the bar high! A big thank you to Miss Scragg and Mr. Milligan for serving up time, patience, and enthusiasm (and for not spiking their clipboards).

Progress Conferences will take place on Thursday, November 6th. While this is a great opportunity to discuss student progress, we encourage parents and guardians to continue monitoring their child's learning on Edsby, where you can view ongoing assessments and activities. Communication with teachers and staff is always welcome—after all, teamwork makes the school dream work!

Christmas News: Picture retakes are scheduled for November 6th! Genelle Amber Studios will be offering family and group photos. Student retakes will begin at 2:00 p.m., followed by family and group photos until 5:00 p.m. It's the perfect time to “capture” those smiles before the snow captures our driveways!

As colder weather approaches, please ensure students are dressed appropriately for school and the bus. Students are expected to go outside for all recesses, and proper clothing helps keep everyone comfortable. Outdoor activities will continue unless the temperature or conditions become unsafe—because we're too cool to stay inside without good reason! Please also remind your kids to bring their mittens, toques, and jackets. We've had a few brave souls trying to convince us that hoodies are “basically winter coats.” Nice try, but no dice! We don't want anyone turning into a popsicle on the playground—though we do encourage students to “chill” with their friends. If you're wondering whether it's cold enough for snow pants yet, the answer is usually yes. (If you can see your breath, it's time to cover your knees!)

A reminder that we are a nut-free school and have a student with severe allergies. Mr. Byrne continues to communicate with families in his class, but we ask everyone to be mindful of what food items are sent to school. If you have any questions, please don't hesitate to reach out—we're always happy to “spread” the word about safety (just not peanut butter).

From time to time, a student may forget their lunch or snack at home. When this happens, we do have a small supply of emergency lunches and snacks available. However, we've noticed that some students have been asking for these items even when they have food from home. We ask that families take a moment to talk with their children about the importance of eating the lunch that has been packed for them and being honest about when they truly need an emergency lunch. Your support helps ensure that we can continue to provide for those who really need it.

For any questions or concerns, you can call us at 306-922-8339, send an Edsby message, or email me directly at ktait@srsd119.ca.

Thank you for your continued support!
Kevin Tait

BUS APPRECIATION

We celebrated our school bus drivers on October 23rd with flowers and a handcrafted student-signed card.

Dear Michelle, Amy, Dave, Don, and Dennis,

Thank you for being such an important part of our school community. You do so much more than drive – you ensure our students start and end their day safely, warmly, and with a smile. Your patience, dependability, and kindness do not go unnoticed.

We appreciate the early mornings, the careful driving, and the calm presence you bring to every route. You truly help keep our school moving!

With heartfelt thanks,
West Central School Staff, Parents, and Students

DRESS FOR THE WEATHER

The weather is getting colder so please make sure that your child(ren) are dressed warmly including headwear and mitts.

They must be dressed adequately for a 1 kilometer walk in case of emergency. Our bus drivers have the authority to warn/educate a student on a first offense, and refuse transportation on the second. For this policy please review it on our website at www.srsd119.ca.

SCC NEWS

The SCC had their second meeting on October 29th. There are a lot of fun activities in the works so keep posted. We have a fun, knowledgeable, and motivated group and we are always looking for parents to join us! If you are not interested in joining the SCC but would like to be more involved within the school, we are always looking for volunteers to help with hot meals or events. **Please contact the school at 306-922-8339 if you want to be more involved.**

WEST CENTRAL REMINDERS

CELL PHONE USE AT SCHOOL

Students should not have personal devices in the school or on school grounds. If they bring them to school, the devices must be turned off and secured. If you need to contact your child during the school day, please phone 306-922-8339. If they need to contact you, they may use a school phone, with staff permission. Thank you for your cooperation and understanding in this matter.

DROPPING OFF STUDENTS

Student supervision begins at 8:35 each morning, once the buses dismiss their students. If you are dropping your child off, please ensure they are not here before 8:35 for safety reasons.

PICKING UP STUDENTS

If you are picking your children up at the end of the day, please park in the grassy centre area. Please remind your children to look both ways and please make sure to drive slowly away from the school. This will help to keep students safe from any mishaps.

**** Please do not park at or near the entrances/exits.** Thank you for helping keep our children safe. Thanks!

TRANSPORTATION

Our buses are busy again transporting our students to and from school. Our bus drivers do an amazing job of keeping your children safe. **If you need information on bus routes or driver contact info, please check our SRSD119 website and search under Bus Information (near bottom of Homepage) or contact the school.**

ALLERGY AWARENESS

All Saskatchewan Rivers Public Schools strive to maintain nut-alert environments for the safety and well-being of all students, staff and visitors. We ask that everyone please check food labels to ensure that nut products are not listed as an ingredient when shopping for school food items.

✓Please send nut-free snacks and lunches to school.

✓Cross-contamination is a common cause of anaphylactic reactions. Foods that have come in contact with nut products or contaminated utensils can also trigger allergic reactions.

✓Check packaging labels for peanut/nut ingredients. If a product has "may contain trace amounts of peanuts or nuts" this is NOT safe to bring to school.

As students and staff visit other buildings, for a variety of events, all schools try to keep everyone safe. Our School Division hopes to establish and maintain, but cannot guarantee: schools, school environments and buses free of peanuts and nut products. Thank you for your cooperation with this very important safety matter.

I FORGOT MY LUNCH

It happens! Busy households, rushing for the bus etc. Don't worry about it - **we have a few items at the school, which we can supplement for the odd lunch or snack here and there.**

HATS FOR SCIENCE

Friday Hat Day will continue this year. Everyone who pays \$1 on Fridays will receive a stamp and will get to wear their hat that day. All money raised will support the School Science Fair costs, including sending our students to the Regional Science Fair in April.
