Kevin Tait, Principal

It's finally starting to feel like spring—although April did its best to convince us otherwise with a few surprise snowstorms, and snow still covering much of the ground. At this point, we're all eagerly waiting (and maybe even negotiating with Mother Nature) for the playground to finally melt and dry up. As we head into the final stretch of the school year, there's a renewed sense of energy in the building. Over the next two months, we'll be working hard to wrap up our outcomes and assessments while continuing to take part in many fun and meaningful experiences along the way.

We were pleased to welcome members of the school board for a visit this month. They were very impressed with the new kitchen, which is the result of the hard work and dedication of our School Community Council (SCC)—proof that fundraising and determination really can turn into something you can actually cook in! They also took a close look at how our classrooms are configured, particularly the use of tables and flexible learning spaces. They noted how well we are able to utilize all areas of the school to support student learning. Our three Grade 8 students did an excellent job leading the tour and representing our school with confidence and pride (and thankfully didn't get us lost along the way). The board also commented on how clean and well-maintained the school was, which is a true reflection of Mrs. Robertson's ongoing hard work and care for our building.

Track and field season is just getting underway, although April's generous helping of snow may have its own ideas about how quickly we'll be using the fields this year. Despite the weather, students are very excited to get started and are eager to compete—snow boots may or may not be part of their training gear at this point. We will be hosting a mini meet with Osborne and East Central on May 20 at PACI. A big thank you in advance to Mrs. Brule, Mr. Milligan, and Mr. Jones for running the event and helping make it happen, no matter what the weather decides to throw at us. Looking ahead, the Division Track and Field Meet will take place at the beginning of June, which we are all hoping will feature actual grass, running surfaces, and possibly even sunshine.

The weather is starting to take a bit of a toll on everyone's patience, but we are slowly (very slowly) moving toward spring. Students are very much looking forward to running freely across the field—even if it currently looks more like a mix of snow, mud, and standing water than a sports surface. Despite this, they are doing a great job staying positive and showing patience as we wait for the big melt. A sincere thank you to parents for your ongoing support during this sometimes frustrating stretch of the year—it is appreciated more than you know (especially on the muddy boot days!).

We look forward to a strong finish to the school year—full of learning, growth, and great memories. As we head into these final months, we're excited to celebrate student progress, enjoy special events, and make the most of the time we have together before summer arrives.

Mr. Tait

WEST CENTRAL REMINDERS

I FORGOT MY LUNCH

It happens! Busy households, rushing for the bus etc. Don't worry about it - **we have a few items at the school, which we can supplement for the odd lunch or snack here and there.**

CELL PHONE USE AT SCHOOL

Students should not have personal devices in the school or on school grounds. If they bring them to school, the devices must be turned off and secured. If you need to contact your child during the school day, please phone 306-922-8339. If they need to contact you, they may use a school phone, with staff permission. Thank you for your cooperation and understanding in this matter.

DROPPING OFF STUDENTS

Student supervision begins at 8:35 each morning, once the buses dismiss their students. If you are dropping your child off, please ensure they are not here before 8:35 for safety reasons.

PICKING UP STUDENTS

If you are picking your children up at the end of the day, please park in the grassy centre area. Please remind your children to look both ways and please make sure to drive slowly away from the school. This will help to keep students safe from any mishaps.

*** Please do not park at or near the entrances/exits.** Thank you for helping keep our children safe. Thanks!

TRANSPORTATION

Our buses are busy again transporting our students to and from school. Our bus drivers do an amazing job of keeping your children safe. **If you need information on bus routes or driver contact info, please check our SRSD119 website and search under Bus Information (near bottom of Homepage) or contact the school.**

COME READ WITH US

BIG BUDDY, LITTLE READERS - We're inviting all grandparents and parents who would like to visit the school and read with our students to join us. Please spread the word. The more one-on-one reading our students get, the stronger their skills grow - because every page counts! **If you have some time between 9 a.m. and 12 p.m., please let us know.** We truly appreciate our community's support!

EXTRACURRICULAR ACTIVITIES

If students miss school the day of extracurricular activities the student will unfortunately have to miss the activity. Attendance is so important for our students to achieve all of their academic goals.

ALLERGY AWARENESS

All Saskatchewan Rivers Public Schools strive to maintain nut-alert environments for the safety and well-being of all students, staff and visitors. We ask that everyone please check food labels to ensure that nut products are not listed as an ingredient when shopping for school food items.

- ✓ **Please send nut-free snacks and lunches to school.**
- ✓ **Cross-contamination is a common cause of anaphylactic reactions. Foods that have come in contact with nut products or contaminated utensils can also trigger allergic reactions.**
- ✓ **Check packaging labels for peanut/nut ingredients. If a product has "may contain trace amounts of peanuts or nuts" this is NOT safe to bring to school.**

As students and staff visit other buildings, for a variety of events, all schools try to keep everyone safe. Our School Division hopes to establish and maintain, but cannot guarantee: schools, school environments and buses free of peanuts and nut products. Thank you for your cooperation with this very important safety matter.

HATS FOR SCIENCE

Friday Hat Day will continue this year. Everyone who pays \$1 on Fridays will get to wear their hat all day. All money raised will support the School Science Program and activities.
